The screenshot shows a mobile application interface with a light green background. At the top, there is a dark blue header bar with a play button icon on the left and a menu icon on the right. Below the header, there is a list of items. The first item has a green play button icon and a horizontal line. The second item has a green play button icon, a horizontal line, and the number 4. A 'more' button is visible on the right side of the screen. At the bottom, there is an ellipsis '...' and another 'more' button.

The screenshot shows a web browser window with a dark header bar containing a play button icon on the left and a menu icon on the right. The main content area has a light green background. It displays a search result for 'intra-mart' with a green play button icon to the left of the text. Below this, the text 'intra-mart' and 'GSOL' are shown in green. A dashed horizontal line separates this from the next section, which shows 'GSOL' in black. Below that, there is an ellipsis '...' and a blue button with the text 'more'. Another dashed horizontal line follows, and then a green play button icon is shown next to a blank line. At the bottom right, there is another blue button with the text 'more'.

The screenshot shows a mobile application interface with a blue header bar. The header bar contains a play button icon on the left and a menu icon on the right. Below the header, there is a list of items. The top item is partially visible, showing a green play button icon and a horizontal line. The bottom item is fully visible, showing a green play button icon, a horizontal line, the number '1', and a 'more' button.
